

Stuff We Love: Natural Nails

by Jill Russell

SOY POLISH REMOVER
by Priti Though it requires a tad more scrubbing than conventional formulas, this soy- and corn-based remover does the job toxin-free—and without the offensive stench. \$22.50, pritiorganicspa.com

ECO NAIL FILES by SpaRitual Smooth nail edges with an ergonomically shaped, easy-to-wield file made from 100 percent biodegradable maple wood. \$8 for five, sparitual.com

Don't miss this summer's best healthy mani-pedi options. Your hands and feet will be ready for the beach in no time

PAINT & PEEL POLISH by Sula* Formulated to peel off, these 17 vibrant tints eliminate the need for remover. It's never been easier to switch up your shade. \$9 to \$10 each, sulabeauty.com

NAIL PAINT by PeaceKeeper Cause-Metics* Profits, after taxes, go to women's health advocacy and human rights groups. Choose from nine long-lasting colors. \$10 each, iamapeacekeeper.com

MOISTURIZING CUTICLE CREAM by Grounded in Nature A buttery salve perfect for relieving dry, cracked cuticles and brittle nails, it contains soothing sweet almond and coconut oils—both of which lend a mellow, fruity scent. \$4.95, dionissoap.com

FOOT SCRUB by Liz Earle Naturally Active Skincare Padding around in sandals all season takes a toll on feet. This gentle exfoliator smooths your soles with natural pumice and wheat-germ oil. \$20, us.lizearle.com

*Featured nail polishes are free of formaldehyde, toluene, and phthalates/DBP, the three main chemicals found in conventional polishes.
