PRODUCTS THAT
PAMPER, PROTECT
AND CORRECT!

Ever wished you could remove your nail polish but not had any remover handy? You'll love the **Paint & Peel™** polish from **Sula Beauty!** The non-toxic formula is water-based and free from Formaldehyde, toluene and phthalate. Try the Perfect Pink shade (510) for a bright, summer-ready pop. Visit sula.beauty.com to learn more.

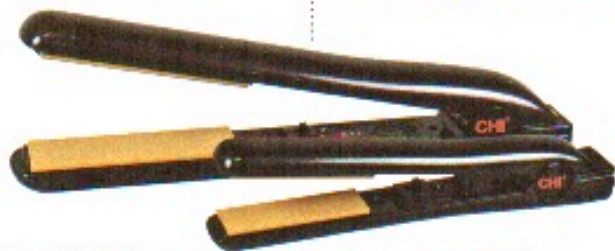

If your fine hair leaves you craving volume, pick up **Nexus Root Extend Volumizing Root Lifting Spray**. Created to unlock volume at the roots, the spray gives your hair specifically targeted volume but in a lightweight mist. Visit Nexus.com to find out where to purchase for a suggested price of \$14.

Everyone seems to be addicted to **Smashbox Cosmetics'** innovative O-Glow and O-Gloss...and now they've debuted **O-Bronze!** The intuitive cheek bronzer goes from a white cream to your perfect shade of custom bronze, and is created with the same Goj-Berry O-Complex, ginkgo biloba and pomegranate seeds for antioxidant protection. You can find O-Bronze for \$28 at Sephora and department stores.

No one wants to wear a face full of makeup in the warm months, making **Josie Maran Tinted Moisturizer** (\$36) the perfect option. Formulated with skin-loving botanicals, vitamins and SPF 30, it'll even out, hydrate and protect your skin, making it look flawless and glowing! Log on to sephora.com to purchase.

With the new **Micro CHI® Ceramic Iron**, it's easy to have perfectly straight tresses, even if you're on-the-go. The pint-sized version—it fits in the palm of your hand—of the classic styling tool offers the same patented CHI Ceramic technology with 44 inorganic substances to produce moist heat. Far infrared to penetrate hair and seal the cuticle, straightening hair from the inside out, along with negative ions to reduce frizz and leave hair with a high-shine finish. Find the Micro Chi (\$139) at salons and beauty supply stores where CHI products and tools are sold.
